

Ultra-Compact Designs

MULTI-UNIT CHARGERS

Endura TWC12M

- Utilizes smart charging technology to reliably charge 12 batteries.
- Ideal for radio rentals or when counter space is limited.

Endura TWC2M

- Similar in size to a single unit charger, but charges two batteries.
- Accessories available for in-vehicle use.

TWC2M and TWC12M are available for popular Motorola, Kenwood, Harris, Hytera, Icom, and Vertex Standard radio models.
